### TACOMA STARS INDOOR SOCCER

A big Thank You to Joy Lower for organizing a Blackhills FC Tacoma Stars night. Information is forthcoming.

### FIELD TURF MIGRATION

The school districts have begun releasing stadium turf time. We are in the process of moving teams to field turf facilities as they become available. Please check in with your Team Manager and Head Coach to confirm practice locations during this transitional period.

### INCLEMENT WEATHER POLICY

For the safety of our children, families and for communication purposes the Blackhills FC has an **Inclement Weather Policy**.

If you believe it is unsafe for you to travel to practice due to road/weather conditions in your area, please stay home.

If Olympia School District school is cancelled, or after school sports are cancelled, then Blackhills FC practices that are located in stadiums on the field turf and at the soccer complex are cancelled.

If there is snow/ice on the field, even if school may be open, the field is deemed unplayable and practice cancelled. (This is by its nature an hour-by-hour decision and requires last minute checking of the club website, Club Facebook and email.) This determination will be made by 2:00 PM.

Your BFC Team Manager will be given information to distribute regarding practice cancellations. Due to vacations, Internet provider outages, computer glitches and other factors you should also check the club website if you have any questions.
