

BLACKHILLS FC WOMEN'S SEMI- PRO TEAM!

Blackhills FC has joined the NWPL, an Elite Adult Amateur Semi - Pro League in Washington State. The NWPL provides an opportunity for elite high school, college and former youth players to play in a competitive environment.

“We are excited about adding this adult team to our Club and community. This is the natural progression in developing a Club, youth – senior team. This provides a fantastic playing opportunity for Blackhills FC alumni, local collegiate players and is open to all players to compete at a high level.” Technical Director – James Charette
