

Blackhills FC Volunteer Program

BFC requires players and their families to help others in our local community by donating five (5) hours of volunteer time each year per player. BFC views volunteer hours as an important component of being part of the BFC soccer club family. BFC encourages players and family members to volunteer with other BFC players and families on their volunteer projects. BFC will send out volunteer opportunities when available. A list of volunteer opportunities will be posted on the website. Players, families, and teams may design and implement their own volunteer projects.

If a player and their family chooses not to complete the 5 hour volunteer time then they will be charged \$20 per hour at the end of the playing year. The fee for not participating for the year will be \$100 total and will be prorated based upon the number of hours completed at the end of the year. We will be using SignUp Genius as a way to sign up and report hours. Hours may also be reported to volunteer@blackhillsfc.org.
