

## Team Administrator Instruction Guide:

### Access Information:

As a team administrator, your login will be the same username and password used to complete your RMA application online. Once logged in, if you do not see your team listed on your My Account page please contact your Registrar or Affinity Sports to request that your team assignment be updated.

### Updating Home Game Times and Fields:

Click “Game Schedule” in the left hand navigation. This will ONLY show your home games. Select the correct tournament or league and click the search button. If you have multiple teams, select the correct team. If your team is listed in two schedules you may also have a “flight” drop down option:

The screenshot displays the 'Game Schedule' interface. On the left is a navigation menu with 'Game Schedule' selected. The main area shows a search for 'Test Team 2 (DD01-001CG15-0003)' for 'Girls Under 15'. A table lists a game on 'Saturday, January 18, 2014' between 'Test Team 2' and 'Test Team'. The table has columns for GameNum, Rank, Relative Field, Game, Time Field, Home Team (League), Away Team (League), and Flight. Below the table is a 'Re-Assign Game' section with fields for Date, Starting Time, and Field, and buttons for 'Email / SMS', 'copy to Times below', and 'copy to Fields below'.

1. Type in the game time
2. Click the  button and choose a field from the drop down menu and click the save button  
The system will post this updated information to the public page in 15 minutes
